

KALEY FIELD

HELP US CROSS THE FINISH LINE!

In the fall, the GAEF completed its Kaley Field Project, a 3,000 sq. ft. state-of-the-art building, which serves as the gateway for thousands of annual Kaley Field visitors for school, athletic, band, and community events. The project was made possible through the generosity of major donors, such as F&M Trust, Sunnyway Foods, Antrim Way Honda, Antrim Insurance, Century, Inc. & Lumber Direct, along with the steadfast support of countless local businesses and individuals. While the project was both on time and at budget, we continue to work toward meeting the campaign goal of \$600,000. Please consider helping GAEF meet our goal by donating to the Over the Finish Line Campaign. For more information or to donate, reach us at:

EDUCATIONAL
IMPACT

GAEF is committed to impacting & enhancing the educational experience of all Greencastle-Antrim students. Providing our educators with the necessary tools and professional development to design, plan, and implement engaging learning opportunities is instrumental to our mission. This year, we proudly presented **\$19,613.65** in Educational IMPACT Grants to 31 teachers. These grants were made possible by the generous donations of community members and the Shockey Family Foundation. Please consider making a donation to help continue our mission and IMPACT our students' academic experience! Visit our [website](http://gaefonline.org) to learn more and support our IMPACT!
